

## Meeting Agenda

Meeting: Expandable Technology Forum  
 Date: 8<sup>th</sup> and 9<sup>th</sup> May 2008  
 Venue: Sheraton Houston Brookhollow Hotel, 3000 N. Loop West, Houston, TX 77092, USA.  
 Tel: +1 (713) 688-0100. Website: [www.sheraton.com](http://www.sheraton.com)  
 Venue Contact: Nancy Alonzo  
 Host Contact: Pat York, Weatherford. Tel: +1 713-983-5236, e-mail: [pat.york@weatherford.com](mailto:pat.york@weatherford.com)  
 Manager: Robert Hamilton / Sally Marriage, OTM Consulting Ltd. Tel: +44 1483 598 000,  
 e-mail: [robert.hamilton@otmnet.com](mailto:robert.hamilton@otmnet.com) / [sally.marriage@otmnet.com](mailto:sally.marriage@otmnet.com)  
 Travel: See attached.

### Draft Agenda – Thursday 8<sup>th</sup> May 2008

Arrival and tea/coffee			08.30
	Weatherford	Welcome & HSE	09.00
	OTM, Rob Hamilton	Introductions	09.15
1	Dynamic Dinosaurs, Bruce Stewart (Vision)	Expandables: The past, present and future	09.25
2	Shell, Matthius Akhideno (Solids)	Latest developments in solid expandables	09.45
Tea/ coffee			10.20
3	Weatherford, Pat York (Solids)	Monobore applications: Where are they?	10.50
4	Advantek Int., Ahmed Abou-Sayed (Solids & Screens)	Expandable tubular to rock interaction	11.25
5	Blade, David Lewis (API)	Overview of expandable API specifications	12.00
Lunch			12.15
6	StatoilHydro, Zdenek Sehnal (Solids)	Solid expandable liner used to regain tubing integrity in a high pressure gas well	13.15
7	Baker Oil Tools, Lance Rayne / Carl Stockmeyer (Solids)	Case Study: Long expandable patch in Middle East/Minimum drift centralizers developed for full gauge under reamed OH expandable applications	13.50
8	Saudi Aramco, Shaohua Shou (Solids)	New 5 1/2" solid expandable systems provide effective technology for successful workover project in Saudi Arabia	14.25
Tea/ coffee			15.00
9	Shell, Severino Simeone (Swellables)	Proof of concept: ESS Slim Well design using a combination of ESS and swellable elastomer packers	15.30
10	Enventure, Kevin Wadell (Solids)	Adding value in deepwater applications with expandable technology	16.05
	OTM, Rob Hamilton	Wrap up	16.40
Meeting End			16.45
Bus departs Sheraton hotel			18.00
Dinner at Vic and Anthony's Steak House			18.30
Bus departs back to Sheraton hotel			21.30

### Draft Agenda – Friday 9<sup>th</sup> May 2008

Arrival and tea/coffee			08.00
	OTM, Rob Hamilton	Welcome	08.30
11	Shell, Lance Cooke	Vision	08.35
12	Shell, Mark van de Velden (Swellables)	New applications for swellables	08.55
13	Round table – Operators	Defining the next level in Expandable Technology	09.30
14	BP, Joe Candella (Screens)	A case study of a 7" expandable reservoir completion	11.30
15	Chevron, David Underdown (Screens)	North Sea gas field ESS completions - case history	12.05
Lunch			12.40
16	Baker Oil Tools, Eddie Bowen (Screens)	Expandable Screens: Optimized horizontal gas production through collaboration	13.40
17	Halliburton, Ron Nida (Solids)	Global acceptance of expandable liner hangers	14.15
18	Wearsox, John Gammage (Solids)	Spray-metal casing centralisation	14.50
	OTM, Rob Hamilton	Wrap up	15.25
Any other business			15.35
Meeting End and Networking over Tea / coffee			15.45
