

Meeting Agenda

Meeting: Expandable Technology Forum
 Date: 13-14 January 2009
 Venue: Le Royal Meridien Hotel, Khalifa Street, Abu Dhabi, UAE. Tel no: +971 2 6742020
 Venue Contact: Selma Cherami
 OTM Contact: Fiona MacLean / Sally Marriage, OTM Consulting Ltd. Tel: +44 1483 598 000,
 e-mail: fiona.maclean@otmnet.com / sally.marriage@otmnet.com

Agenda – Tuesday 13th January 2009

	Arrival and tea/ coffee		08:00
	Shell	Welcome	08:30
	OTM	Introductions & HSE	08:45
1	Weatherford, Martin Geddes	Introduction to Expandables (Screens)	09:00
2	Mark Van de Velden. PDO	Introduction to Expandables (Solids)	09:15
3	ADCO, Talal Khalil Mahmoud Mokhalalati	Potential application and challenges for expandable technologies in ADCO	09.30
	Tea/ coffee		10:05
4	Saltel Industries, Jean-Louis Saltel	1) Inflatable Packer Expandable System cases history a. Shut off total losses during drilling (PDO) b. 6m long Expandable patch (Gaz de France) 2) Expandable Pup Joint development project	10.30
5	Weatherford, Pat York	Utilizing Solid Expandable Packers to enable cost effective cased-hole remediation – A Case History	11.00
6	PDO, Said Al Houqani	Water management in fractured reservoirs	11.30
	Lunch		12.00
7	Saudi Aramco, Shaohua Zhou	Transition From Lessons Learned To High Level Success Of Solid Expandable Technology Applications, Examples From Saudi Arabia	13.00
8	Baker Oil Tools, Roy Woudwijk	Use of expandable perforated tubulars to ensure safe performance of horizontal gravel pack- Cortemaggiore well case history	13.30
9	Read Well, Andy Gorrara	Design, development and deployment of High Pressure Zonal Isolation Barriers	14.00
10	Enventure, Greg Noel	Utilizing expandable technology with swellables for zonal isolation	14.30
	Coffee		15:00
11	ADCO – Talal Khalil Mahmoud Mokhalalati PDO – Mark Van de Velden / Said Al Houqani Saudi Aramco – Shaohua Zhou Shell – Severino Simeone Shengli Oilfield – Tang Ming StatoilHydro – Erik Ruyter Total – Naoufal Mahdar	Operator Roundtable: * Status / updates on existing installations * Lessons learnt/ outstanding issues * Corporate strategies for solid expandable / expanding screen utilisation * Planned installations / timetable * Main technology challenges / shortfalls * New technologies/applications	15:30
12	OTM, Fiona MacLean	Wrap up	17:30
		Meeting End & Drinks Reception	17:35

Agenda – Wednesday 14th January 2009

	Arrival and tea/ coffee		08:00
	OTM, Fiona MacLean	Welcome	08:30
13	Introduction: Talal Mokhalalati, ADCO BOT: Carl Stockmeyer Easywell: Pete Smith Swellfix: Andrew Weatherald TAM: Jerry Minor	Introduction to swellables Swellables Update: BOT / Easywell / Swellfix / TAM International	08:35
14	Halliburton /Easywell, Pete Smith	Case studies from the Middle East with Swell Technology – new types of applications	09.35
	Coffee		10:05
15	PDO, Mark Van de Velden	"Operator Challenge" - Syndicate Groups Workshop	10:35
	Lunch		12:05
16	Saudi Aramco, Shaohua Zhou	Centralizers for solid expandable liners to further add value to better cement bond and improved zonal isolation, case history from Saudi Arabia	13:05
17	V&M, Thomas Joulaud	Evolution of solid expanding tubular business and impact on V&M expandable products	13:35
18	Kentucky Oil, Peter Besselink	Possible applications of bistable expandable technologies	14:05
19	Oman's Sultan Qaboos University, Dr. Tasneem Perves	University contribution to the oil Industry	14.35
	Coffee		15:05
20	RWE Dea, Andreas Schwarz	RWE Dea's first expandable liner Installation	15.35
21	DTS, Jeff Spray	Next Generation Expandables – Elastic Self-Expansion Sandcontrol & Subsidence Compliant Tubulars	16:05
	OTM, Fiona MacLean	Wrap up and any other business	16:25
	Meeting End		16.30
